**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Obloy:

On April 16, 2013, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Kyron Plating to submit a completed PER for the period of October 19, 2012 to December 31, 2012. On April 29, 2013, CDAQ received a completed PER for the period of October 19, 2012 to December 31, 2012.

The corrective action was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Kyron Plating: 13-18-00-8175.

Sincerely,

A handwritten signature in black ink that reads "Valencia White".
