Dear Mr. Bowman:

I am writing this letter in response to open burning observed on April 4, 2013.

When leaving your facility after the inspection on April 4, 2013, the open burning in barrels was observed by the scale house. Businesses are not allowed to open burn any type of waste for disposal purposes. Plastics cannot be burned anywhere in Ohio.

Open burning of waste materials at this location is in violation of Ohio Administrative Code (OAC) rule 3745-19-04 and is punishable by a fine. If you continue to open burn improper waste materials at this location or any other location in Ohio, legal action may be taken against you.

The Ohio EPA may seek civil penalties as provided in section 3704.06 of the Ohio Revised Code. The determination to pursue or to decline to pursue such penalties in this case will be made by Ohio EPA at a later date.

If you have any questions regarding this matter, please contact me at 740-380-5424.

Sincerely,

A handwritten signature in black ink that reads 'Steve Alspach'.
