Notice of Violation – Late 2011 and 2012 Permit Evaluation Reports

Dear Mr. Albrechta:

The Ohio Environmental Protection Agency (Ohio EPA) issued one or more permit(s)-to-install and operate (PTIO) for the facility identified above. Standard terms and conditions in a PTIO require an annual Permit Evaluation Report (PER) for each emissions unit contained in the permit. The PER(s) which were due for the reporting period 01/01/2011 through 12/31/2011 and 01/01/2012 through 12/31/2012 were not submitted by the due dates, February 15, 2012 and February 15, 2013.

The PERs must be completed using the hard copy forms provided to you with the PER reminder letter and also enclosed with this letter, or electronically via the eBusiness Center - Air Services at ebiz.epa.ohio.gov. Each submission of an incomplete, inaccurate or late report is in violation of the terms and conditions of the applicable PTIO. Violations of the terms and conditions of a PTIO permit are violations of Ohio Revised Code (ORC) Section 3704.05.

Please note that the submission of the requested information to respond to this letter does not constitute waiver of the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. Ohio EPA will determine later whether to pursue such penalties in this case.

Please ensure that the next report is submitted on time, is complete, and accurate.
