Notice of Violation – LATE 2012 Permit Evaluation Report and quarterly deviation reports

Dear Mr. Haas:

The Ohio Environmental Protection Agency (Ohio EPA) issued one or more Permit(s) -To-Install and Operate (PTIO) for the facility identified above. Standard terms and conditions in a PTIO require an annual Permit Evaluation Report (PER) for each emissions unit contained in the permit(s). In addition, PTIO P0107808, issued September 19, 2011 for emissions unit P001, requires quarterly deviation reports identifying any exceedances of the 94.86 tons of VOC per, rolling 12-month period. The PER which was due for reporting period January 1, 2012 through December 31, 2012, was not submitted by the due date of February 15, 2013. No quarterly deviation reports have been submitted since the issuance of PTIO P0107808.

The PER and quarterly deviation reports must be submitted electronically via the Ohio EPA eBusiness Center: Air Services at ebiz.epa.ohio.gov. Each submission of an incomplete, inaccurate or late report is in violation of the terms and conditions of the applicable PTIO(s). Violations of the terms and conditions of a PTIO permit are violations of Ohio Revised Code (ORC) Section 3704.05.

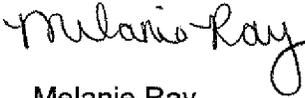

Please note that the submission of the requested information to respond to this letter does not constitute waiver of the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. Ohio EPA will determine later whether to pursue such penalties in this case.

In order to resolve the above violations, the company must submit the 2012 PER and all quarterly deviation reports from 1st quarter 2012 to present by June 3, 2013.

Mr. Matt Haas
