**Re: RESOLUTION OF VIOLATION – NO PERMIT RENEWAL APPLICATION RECEIVED
Facility ID #1667060139**

Dear Douglas Hartley:

This letter is in response to the Notice of Violation (NOV) issued to the above-referenced facility on 4/2/2013. In the NOV, the Akron Regional Air Quality Management District (ARAQMD) requested that the facility submit a permit renewal application for emissions units P001 (#1 Mixing Line) and P002 (60" Mill Mixing Line). The following information summarizes the violation(s) cited, and the resolution of each.

Violation:

Permit to operate (PTO) #P0102246 for emissions unit P001 and P002 expired on 2/20/2013 with no permit renewal application received as required per OAC rule 3745-31-02(A)(1)(b).

Resolution:

Permit renewal application, #A0047767 was received by ARAQMD on 5/10/2013 and permit-to-install and operate (PTIO) #P0114556 was issued for P001 and P002 on 5/20/2013.

With the above actions taken to bring the facility into compliance, the referenced violation is considered resolved. This letter or information pursuant to this letter does not constitute a waiver of the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. Ohio EPA will determine later whether to pursue such penalties in this case.
