**RESOLUTION OF VIOLATIONS  
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Rai:

On April 11, 2013, the Cleveland Division of Air Quality (CDAQ) inspected Lucky's Express located at 7213 Pleasant Valley Road in Parma.

On April 19, 2013, CDAQ issued a Notice of Violation Letter requesting Lucky's Express to submit a Permit-to-Install/Operate application, or Permit-By-Rule notification form, for the operation of your Gasoline Dispensing Facility, as well as a Stage II compliance specialist certificate. In addition, CDAQ also requested Lucky's Express to perform and pass all required Stage II testing on the scheduled date of May 6, 2013.

CDAQ received a Permit-By-Rule notification form on April 22, 2013. CDAQ then issued a Receipt of Corrective Action Plan on April 30, 2013, requesting Lucky's Express to perform and pass all required Stage II testing on the scheduled date of May 6, 2013, as well as provide a copy of the required Stage II training certificate.

On May 21, 2013, CDAQ witnessed the performance and passing of all required Stage II testing as well as viewing a copy of the Stage II training certificate.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Lucky's Express: 13-18-45-6819.

Sincerely,
