**RESOLUTION OF VIOLATION: FAILURE TO CONDUCT MONTHLY INSPECTIONS  
USING PERCHLOROETHYLENE (PERC) DETECTOR FOLLOW-UP LETTER**

Dear Mr. Han:

On June 14, 2013, the Cleveland Division of Air Quality (CDAQ) inspected One Hour Turney Cleaners located at 5701 Turney Road in Garfield Heights.

On June 28, 2013, CDAQ issued a Notice of Violation requiring One Hour Turney Cleaners to submit a corrective action plan indicating that One Hour Cleaners will start conducting the required leak checks with a PERC gas leak detector. CDAQ also requested a copy of the purchase of a PERC halogenated hydrocarbon leak detector or PERC gas analyzer. CDAQ is in receipt of a corrective action plan dated July 6, 2013. One Hour Turney Cleaners provided CDAQ with a copy of the invoice for the PERC detector purchased on June 16, 2013, and submitted a completed copy of Weekly Leak Inspection Log and Repair Records form for the month of June 2013.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Roman Fedorko at (216)664-4794. All correspondence with CDAQ must include the Ohio EPA facility identification number for One Hour Turney Cleaners: 13-18-22-6484.

Sincerely,

Valencia White  
Chief of Enforcement, CDAQ  
VW/rf UK
