**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Smith:

On May 14, 2013, the Cleveland Division of Air Quality (CDAQ) inspected Cleveland Hopkins International Airport located at 19501 Five Points Road in Cleveland.

On June 3, 2013, CDAQ issued a Notice of Violation requiring Cleveland Hopkins International Airport to submit two weeks' worth of required records for daily visible emissions checks and daily ash removal logs for Emission Unit (EU) N001: Kelley Hoskins Incinerator.

The June 3, 2013, Notice of Violation also required Cleveland Hopkins International Airport to electronically submit, via the eBusiness Center, corrected Permit Evaluation Reports (PERs) for the reporting periods of April 1, 2010 to March 31, 2011, April 1, 2011 to March 31, 2012 and April 1, 2012 to March 31, 2013.

CDAQ is in receipt of corrected PERs dated July 2, 2013, and two weeks' worth of required records for EU N001 dated July 10, 2013.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Andrew Marantides at (216) 420-8409. All correspondence with CDAQ must include the Ohio EPA facility identification number for Cleveland Hopkins International Airport: 13-18-00-4181.

Sincerely,
