**RESOLUTION OF VIOLATIONS  
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Tabanja:

On June 20, 2013, the Cleveland Division of Air Quality (CDAQ) inspected South Taylor Shell located at 1895 South Taylor Road in Cleveland Heights.

On June 27, 2013, CDAQ issued a Notice of Violation requiring South Taylor Shell to submit the 2011 and 2012 Permit Evaluation Reports (PERs). CDAQ received the PERs on July 1, 2013.

The corrective action was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. If you have any questions, please call David Wagner at 216/664-3004. All correspondence with CDAQ must include the Ohio EPA facility identification number for South Taylor Shell: 13-18-16-5986.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".

Valencia White  
Chief of Enforcement, CDAQ
