**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Shehadeh:

On July 24, 2012, the Cleveland Division of Air Quality (CDAQ) inspected GP Express located at 11750 Snow Road in Parma.

On July 25, 2013, CDAQ issued a Notice of Violation (NOV) requiring GP Express to schedule and retest the Static Leak test and complete all required Stage II testing then submit the test results within thirty (30) days of the receipt of the NOV. CDAQ witnessed the passing of all required Stage II testing on September 6, 2013, and received the test results on September 9, 2013.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for GP Express: 13-18-45-7546.

Sincerely,

Valencia White
Chief of Enforcement, CDAQ
