Dear Marc Carpenter,

A Synthetic Minor Title V (SMTV) Fee Emissions Report for calendar year 2008 was due on April 15, 2009, for the facility identified above. Failure to submit the report by April 15, 2009, is a violation of Ohio Administrative Code 3745-78-02. This letter serves as a warning that failure to fulfill your obligation to submit a fee emission report will result in the initiation of an Enforcement Action. **Please respond within thirty days of receipt of this letter with an SMTV fee emissions report for 2008 submitted via the eBusiness Center: Air Services indicating the actual emissions data for the facility.**

A letter was sent on January 23, 2009, to this facility and indicated these emissions reporting requirements and provided guidance on completing the report. This letter and additional guidance may be found on the DAPC Web page <http://www.epa.state.oh.us/dapc/> by selecting the topic Air Services. In addition, we've provided helpful links above where answers to many frequently asked questions are posted.
