Re: NOTICE OF PERMIT EXPIRATION: NO RENEWAL APPLICATION RECEIVED

Facility ID: 1677010316

Permit Number: P0102691

Permit Expiration Date: 12/12/2011

Permit Type: Federally Enforceable State Permit to Operate

Dear Mr. Steven Pabst,

This letter serves as a Notice of Violation to you for the violation of failure to submit a timely permit application for renewal of the permit identified above which expired on 12/12/2011. This failure to submit a complete and timely application, has resulted in the loss of the "application shield" provided by Ohio Revised Code (ORC) section 119.06, for the air contaminant sources (emissions units) identified in the table below.

EU ID	EU Description	Company Equipment ID	Permit Number	Expiration Date
K001	Grayco & Boss Low Pressure Airless Painting Systems; Air Dry	Surface Coating Line	P0102691	12/12/2011
P003	Wheelabrator Steel Shot Blast Booth	Wheelabrator (Serial No. A125517)	P0102691	12/12/2011

Continued operation of these emissions units after the expiration date of the permit, without a valid renewal permit being issued by the Director, will be a violation of Ohio Administrative Code (OAC) Chapter 3745-31. Be advised that submission of a permit renewal application will not reinstate the "application shield" provided by (ORC) section 119.06.
