Re: Cedar Works revised compliance schedule dated April 8, 2010

Dear Randy Phipps:

Our office has reviewed the revised compliance schedule dated April 8, 2010, received in our office April 13, 2010, for the completion of the proposed Dual Cyclone Retrofit at your Cedar Works facility located in Peebles, Ohio.

The proposed schedule of completion of installation by May 31, 2010 is acceptable. Per email correspondence dated April 22, 2010, you state the projected start-up of the plant after the necessary shutdown for installation of the control equipment retrofit is June 1, 2010. Cedar Works shall complete a stack test for Particulate Matter in accordance with approved federal reference methods 1 through 5 of 40 CFR Part 60, Appendix A, by no later than June 30, 2010.

If you have any questions or concerns, please contact me at 740-353-5156.
