NOTICES OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Al Qadan:

On September 24, 2010, and January 21, 2011, the Cleveland Division of Air Quality (CDAQ) issued Notices of Violation requiring Union Sunoco to comply with scheduling and passing a Stage II air-to-liquid test. CDAQ witnessed the passing of a Stage II air-to-liquid test on April 27, 2011.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Union Sunoco: 13-18-00-6177.

Sincerely,

Linda Kimmy  
Field Enforcement Manager, CDAQ
