NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Budo:

On June 8, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation (NOV) requiring EZ Energy No. 2413 to maintain results of Stage II vapor control testing and provide proof of completion of the training required by Ohio EPA for the operator or local manager of the gasoline dispensing facility. As of July 7, 2011, CDAQ is in receipt of 2011 Stage II testing records and a Stage II training certificate completed by Melissa Bowen.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for EZ Energy No. 2413: 13-18-00-6913.

Sincerely,

A handwritten signature in cursive script that reads "Linda Kimmy".
