2<sup>nd</sup> LETTER OF WARNING: Failure to provide proof of attendance and completion of training required by Ohio EPA

Dear Mr. Mody:

On March 11, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Letter of Warning requesting that Lakeland Sunoco submit proof of attendance and completion of training for a Stage II compliance specialist certificate within thirty (30) days of receipt of the letter. Lakeland Sunoco has failed to provide proof of attendance and completion of training required by Ohio EPA. This is a violation of Ohio Administrative Code (OAC) Rule 3745-21-09(DDD)(3)(a)(vi).

Lakeland Sunoco remains in non-compliance. CDAQ requests that Lakeland Sunoco submit proof of attendance and completion of training for a Stage II compliance specialist certificate to the following enforcement representative within fourteen (14) days of receipt of this letter:

Megan Murphy  
Cleveland Division of Air Quality  
75 Erieview Plaza 2<sup>nd</sup> Floor  
Cleveland, Ohio 44114-1839

If there is insufficient time to correct the alleged violations within this timeframe, a written response which includes a timeline for correcting the alleged violations must be received within fourteen (14) days of this letter.

Also, your facility may be eligible for the Permit-by-Rule (PBR) exemption. This exemption is based on monthly and annual throughput amounts. More information about the PBR Notification form can be found at the following web address: <http://www.epa.state.oh.us/dapc/pbr/permitbyrule.aspx>.

Please review the PBR Requirements for gasoline dispensing facilities to determine if your gasoline dispensing facility meets the criteria for this exemption. A PBR Notification form is enclosed with this letter.

Please note that all PBR Notification forms submitted to CDAQ must include original signatures. Photocopied signatures are not valid; the PBR Notification form will not be accepted by CDAQ and will be returned to you if original signatures are not provided.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Lakeland Sunoco: 13-18-20-6210.

Sincerely,

*Grinda Kimmey for G.B.*

Chief of Enforcement
