NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Shah:

On March 11, 2010 and May 10, 2010, the Cleveland Division of Air Quality (CDAQ) issued Letters of Warning requiring Lakeland Sunoco to submit proof of attendance and completion of training for a Stage II compliance specialist certificate within thirty (30) days of receipt of the letter. Upon further investigation, CDAQ found that Lakeland Sunoco had been operating a gasoline dispensing facility without obtaining a current permit-to-install/operate (PTIO) or submitting a Permit-by-Rule (PBR) Notification form since December 28, 2005.

CDAQ then issued a Notice of Violation on August 10, 2010 requiring that Lakeland Sunoco submit either a PTIO application or a Permit-by-Rule Notification form and also submit proof of attendance and completion of training for a Stage II compliance specialist certificate. CDAQ is in receipt of a PBR Notification form dated September 20, 2010. A Receipt of Corrective Action Plan was then sent to Lakeland Sunoco on September 21, 2010 still requiring that a Stage II compliance specialist certificate be submitted to CDAQ. Proof of attendance and completion of training was finally submitted to CDAQ on November 4, 2010.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Lakeland Sunoco: 13-18-20-6210.

Sincerely,

*Linda Kimmey for G.B.*
