NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Ramahi:

On 6/28/11, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation to Sunoco Inc. #0001-9141 for: failure to perform an Air-to-Liquid Ratio test (A/L), and a Static Leak test (SL) for 2011; failure to maintain on-site records confirming performance of required maintenance per Executive Order and failure to maintain on-site Stage II Vapor Recovery Post Test Forms. CDAQ is in receipt of the required test results on 7/12/11 and confirmation from N. E. Ohio Petroleum Co. dba One Stop Sunoco, Corporate Office that they were working with the site manager to maintain all required records going forward.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. If you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for Sunoco Inc. #0001-9141: 13-18-20-6211.

Sincerely,

Linda Kimmy
Field Enforcement Manager
