RECEIPT OF CORRECTIVE ACTION PLAN: NOTICE OF VIOLATION**

Dear Mr. John Lee:

On September 23, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation to Ultra Dry Cleaners for improper recordkeeping, and failing to comply with the terms and conditions of permit-to-install #13-03762. CDAQ is in receipt of a fax dated September 29, 2008, regarding the backorder of gaskets needed to fulfill the requirements stated in the NOV. You are expected to comply with the recordkeeping and maintenance requirements specified in your NOV by November 15, 2008. Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at 1-216-420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Ultra Dry Cleaners: 13-18-30-8280.

Sincerely,

George Baker
Chief of Enforcement, CDAQ
