NOTICE OF VIOLATION: FAILURE TO CONDUCT DYNAMIC PRESSURE TEST

Dear Mr. Low:

On July 16, 2010, the Cleveland Division of Air Quality (CDAQ) inspected Prime #10 located at 14196 Granger Road in Maple Heights. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

CDAQ has determined that Prime #10 failed to perform a Dynamic Pressure (blockage) test, as stipulated in Ohio Administrative Code (OAC) Rule 3745-21-09(DDD)(2). A Dynamic Pressure test must be performed and passed once every five years, and Prime #10 has not conducted a Dynamic Pressure test since April 6, 2005. This is a violation of Ohio Administrative Code Rule 3745-21-09(DDD)(1)(c) and Ohio Revised Code Section 3704.05 (G).

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Prime #10 conduct the required Dynamic Pressure test and submit the testing results within thirty (30) days to the following enforcement representative:

Andrew Marantides
Cleveland Division of Air Quality
75 Erievue Plaza, Suite 200
Cleveland, Ohio 44114-1839

Your written response to this letter must be received by CDAQ within thirty (30) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, a written response that includes a timeline for correcting the alleged violations must be received within thirty (30) days of receipt of this letter.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Prime #10: 13-18-31-6035.

Sincerely,

Linda Krimmy for G.B.

George Baker
Chief of Enforcement
