NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Nye:

On August 11, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring True North #1362 to make the appropriate repairs to dispenser #2, conduct a re-test of the Air-to-Liquid Ratio test, and then submit the test results within thirty (30) days of receipt of the letter. CDAQ is in receipt of a corrective action plan dated September 24, 2010 at which time CDAQ received passing retest results for the A/L Ratio test on dispenser #2.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for True North #1362: 13-18-61-6014.

Sincerely,

Linda Kimmy for G.B.
George Baker
Chief of Enforcement, CDAQ
