**RE: Ross County
Mar-Zane Plant 9
Facility Id #:0671000006
EU #: P901
Compliance Test Warning Letter (non-HPV)
CERTIFIED: 70063450000190558966**

Mr. Anthony Ruggiero
Mar-Zane, Inc.
3570 S. River Rd.
PO Box 1585
Zanesville, OH 43702

Dear Mr. Ruggiero:

On September 22, 2009, Chief Environmental Group, LTD performed a particulate matter, sulfur dioxide, nitrogen oxides, carbon monoxide, and volatile organic compounds emissions compliance test while burning natural gas, 15% recycled asphalt product and 6% asphalt concrete at Mar-Zane Inc., Asphalt Plant #9 (Plant 9), 5701 Higby Road, Ohio, on Emissions Unit (EU) P901, 180 ton per hour asphalt plant. The test was conducted to demonstrate compliance with applicable emission limitations as required by permit-to-install/operate (PTIO) 06-07249. Ohio EPA received the test report on November 2, 2009. The test report has been reviewed and we have concluded that the test was conducted according to the procedures specified in 40 CFR Part 60, Appendix A, U.S. EPA Test Methods 1 – 5, 6C, 7E, 10, and 25. The results of the test showed the source to be in compliance with the applicable Ohio EPA regulations and your facility permit terms and conditions.

Plant 9 permit requirements and test results for EU P901:

P901	Particulate matter	Sulfur dioxide	Nitrogen oxide	Carbon monoxide	Volatile organic compounds
Tested Emission Rate:	0.014 gr/dscf	0.16 lbs/hr	4.5 lbs/hr	15.1 lbs/hr	7.3 lbs/hr
Allowable Emission Rate:	0.04 gr/dscf	18.4 lbs/hr	24.0 lbs/hr	80.0 lbs/hr	25.1 lbs/hr
Source Operating Rate:	196 tons/hr (200 tons/hr Max)				

Mr. Anthony Ruggiero
Mar-Zane, Inc.

Additional concerns/Issues:

- Per PTIO 06-07249 issued February 28, 2008, emissions testing for Emissions Unit P901 shall be conducted within six months after issuance of this permit.

The emissions testing for emissions unit P901 was conducted on September 22, 2009. Based on the information provided, the emissions test should have been conducted by August 28, 2008 in order to comply with Permit Term e)(7)a. of PTIO 06-07249. You failed to request an extension for emissions testing and/or conduct the required emissions testing in a timely manner.

All test information will be used by Ohio EPA personnel for permit processing and source compliance review. Please refer any questions concerning the above requirements to Dan Canter, Ohio EPA Southeast District Office, at (740) 380-5263.

Thank you for your cooperation in this matter.

Sincerely,

Marco Deshaies
Environmental Specialist
Division of Air Pollution Control
