Notice of Violation - LATE 2010 & 2011 Permit Evaluation Reports

Dear Mr. Troder:

The Ohio Environmental Protection Agency (Ohio EPA) issued one or more Permit(s)-To-Install and Operate (PTIO) for the facility identified above. Standard terms and conditions in a PTIO require an annual Permit Evaluation Report (PER) for each emissions unit contained in the permit. The PER(s) which were due for the reporting periods 01/01/2010 through 12/31/2010, and 01/01/2011 through 12/31/2011, were not submitted by the due dates, February 15, 2011, & February 15, 2012.

The PERs must be completed using the hard copy forms provided to you with the PER reminder letter or electronically via the eBusiness Center - Air Services at ebiz.epa.ohio.gov. Each submission of an incomplete, inaccurate or late report is in violation of the terms and conditions of the applicable PTIO. Violations of the terms and conditions of a PTIO permit are violations of Ohio Revised Code (ORC) Section 3704.05.

Please ensure that the next report is submitted on time, is complete, and accurate. If you have any questions concerning this letter, please contact me at 419-373-3132 or at julie.budge@epa.state.oh.us.

Sincerely,

Julie Budge
