RE: Return to Compliance for 2009 Fee Emission Report Submission;  
DAPC Facility ID 02-50-07-0850

Dear Mr. Heher:

With the May 10, 2010, submission of the 2009 Fee Emission Report (FER), Carbon Limestone Sanitary Landfill has returned to compliance with Ohio Administrative Code (OAC) rule 3745-78-02(A). This rule requires that all facilities subject to the Title V permit program submit an annual fee emission report by April 15 each year.

Carbon Limestone Sanitary Landfill failed to submit the 2009 FER by April 15, 2010, through air services. The report was subsequently submitted on May 10, 2010.

If you have any questions concerning this letter, please contact me at (330) 963-1298.

Sincerely,

Amysue O'Reilly
