Youngstown, Ohio 44515

Dear Mr. Nye:

The annual Stage II compliance demonstration conducted at True North Energy Location #372 at 34750 Chardon Rd. in Willoughby Hills, Ohio 44094 on June 7, 2011, demonstrated compliance with the requirements of Ohio Administrative Code rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in July 2012.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available in violation of OAC Rule 3745-21-09(DDD). I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training will be completed prior to your next Stage II test.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330)963-1270.

Sincerely,

Tim Fischer
