Dear Ms. Bratcher:

The annual Stage II compliance demonstration conducted at Hop-In Sunoco located at 33945 Vine St. in Eastlake, Ohio 44095 on June 3, 2011, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in January, 2012 (testing was due in January 2011 but was not completed until June 2011).

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available in violation of OAC Rule 3745-21-09(DDD). I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training will be completed prior to your next Stage II test.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer
