RE: STAGE II COMPLIANCE REQUIREMENTS
SG PETROLEUM SERVICE
DAPC FACILITY ID 0247081024

CERTIFIED MAIL

Yun Sunghwan
SG Petroleum Service
3451 Colorado Ave.
Lorain, Ohio 44052

Dear Mr. Sunghwan:

The annual Stage II compliance demonstration conducted at SG Petroleum Service located at 3451 Colorado Ave. in Lorain, Ohio on January 21, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in January 2011.

During the testing, maintenance records were not available in violation of OAC Rule 3745-21-09(DDD). **Please be sure to keep these records on site and available for inspection in the future.**

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training be completed prior to your next Stage II test.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer
Environmental Supervisor
Division of Air Pollution Control
