RE: FIVE-YEAR STAGE II COMPLIANCE TEST  
REET, INC.  
DAPC FACILITY ID 0247080714

Surinder Pal Virk  
Reet, Inc.  
2425 North Ridge Rd.  
Lorain, OH 44055

Dear Mr. Pal Virk:

The five-year Stage II compliance demonstration conducted at Reet, Inc. located at 2425 North Ridge Rd. in Lorain, Ohio on March 19, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training be completed prior to your next Stage II test.**

The next annual Stage II compliance test is due in March 2011.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer  
Environmental Supervisor  
Division of Air Pollution Control
