RE: ANNUAL STAGE II COMPLIANCE TEST
CIRCLE K #5573
DAPC FACILITY ID 0247051034

Kevin Merritt
Circle K Corp.
P.O. Box 347
Columbus, IN 47202

Dear Mr. Merritt:

The annual Stage II compliance demonstration conducted at Circle K #5573 located at 36024 Royalton Rd. in Grafton, Ohio 44044 on June 15, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in June 2011.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available in violation of OAC Rule 3745-21-09(DDD). I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training will be completed prior to your next Stage II test.**

Also, maintenance records were not being maintained as required by OAC Rule 3745-21-09(DDD). **Please ensure that records of all maintenance activities are maintained from now on.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer
Environmental Supervisor
Division of Air Pollution Control
