Dear Mr. Scheponik:

The annual Stage II compliance demonstration conducted at Get Go #3811 located at 209 East Bridge St. in Elyria, Ohio 44035 on September 7, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in September 2011.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available in violation of OAC Rule 3745-21-09(DDD). **We will expect that the training will be completed prior to your next Stage II test.**
