RE: WARNING LETTER  
ANNUAL STAGE I COMPLIANCE TEST  
LIBERTY GAS  
DAPC FACILITY ID 0247081024

CERTIFIED MAIL

John Harb  
Liberty Gas  
3451 Colorado Ave.  
Lorain, Ohio 44052

Dear Mr. Harb:

The annual Stage II compliance demonstration conducted at Liberty Gas located at 3451 Colorado Ave. in Lorain, Ohio on May 1, June 11 and August 21, 2008, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09 (DDD).

The next Stage II compliance test is due in May 2009.

Our inspector noted that there were many problems with record keeping and that there was no Stage II training certificate available. I have enclosed a copy of the rule cited above that has all of the requirements that apply to this facility. We expect that these will be corrected prior to the next test.

I have enclosed a Permit by Rule Notification form. Please complete the form and return it as per the instructions. This will replace any needed Permit-to-Operate or Permit-to-Install and will mean you no longer have to pay the biannual emission fees.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1223.

Sincerely,

Dennis Bush  
Environmental Manager  
Division of Air Pollution Control
