Painesville, OH 44077

Dear Ms. Broski:

The annual Stage II compliance test conducted at Convenient Food Mart located at 7941 Painesville-Ravenna Rd. in Concord Twp., Ohio on December 4, 2006 and February 22, 2007, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09 (DDD).

The next annual Stage II compliance test is due in December 2007.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities. We expect that this training will be completed and the proof of attendance will be available during the next Stage II compliance test.

Additionally, please complete and return the enclosed permit-by-rule notification form.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1223.

Sincerely,

Dennis Bush
