Dear Mr. Patel:

The annual Stage II compliance test conducted at Convenient Food Mart located at 4680 Corduroy Rd. in Mentor, Ohio on March 6, 2007, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09 (DDD).

The next annual Stage II compliance test is due in March 2008.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities. We expect that this training will be completed and the proof of attendance will be available during the next Stage II compliance test.

Additionally, please complete and return the enclosed permit-by-rule notification form.
