RE: WARNING LETTER  
ANNUAL STAGE II COMPLIANCE TEST  
CONVENIENT FOOD MART  
OHIO EPA ID #0243070962

CERTIFIED MAIL

Owner or Operator  
Convenient Food Mart  
1976 Hubbard Rd.  
Madison, OH 44057

Dear Owner or Operator:

The annual Stage II compliance test conducted at Convenient Food Mart located at 1976 Hubbard Rd. in Madison, Ohio on December 5, 2006 and January 17, 2007, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09 (DDD).

The next annual Stage II compliance test is due in December 2007.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities. We expect that this training will be completed and the proof of attendance will be available during the next Stage II compliance test.

Furthermore, this Agency has not received the completed "2004-2005 Non-Title 5 Air Emissions Report" that is required by Ohio Administrative Code Rule 3745-78-02. The forms (on blue paper) were sent to you October 9, 2006 and November 29, 2006. Please complete the form and submit it as per the instructions.

Additionally, please complete and return the enclosed Permit-by-Rule Notification form.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1223.

Sincerely,

Dennis Bush  
Environmental Manager  
Division of Air Pollution Control
