AND NOTICE OF VIOLATION  
FOR FLYING J TRUCK STOP  
OHIO EPA ID #0204000444

CERTIFIED MAIL

Paul Siler  
Flying J Truck Stop  
333 West Center St.  
North Salt Lake City, Utah 87054

Dear Mr. Siler:

The annual Stage II compliance demonstration conducted at Flying J Truck Stop located at 2349 Center Rd. in Austinburg, Ohio 44010 on August 19, 2008, failed to demonstrate compliance for the following parameters:

<u>Parameter</u>	<u>Pass/Fail</u>
A/L Test	Failed
Pressure Decay Test	Failed

Failed test results constitute a violation of OAC Rule 3745-21-09 (DDD).

To date, a retest has not been rescheduled resulting in continued violation of OAC Rule 3745-21-09 (DDD). Please schedule repairs and conduct a retest **within 30 days of your receipt of this letter.**

Because this station initially failed the 2007 test, failed the 2008 test, and has not yet been retested for 2008, an enforcement action request is being sent to the Central Office of Ohio EPA.

The submission of the requested information does not constitute a waiver of Ohio EPA's authority to seek civil penalties as provided in ORC 3704.06. Ohio EPA will decide whether to pursue or decline to pursue penalties regarding this matter at a later date.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer  
Environmental Supervisor  
Division of Air Pollution Control
