RE: CERTIFIED WARNING LETTER  
ANNUAL STAGE II COMPLIANCE TEST  
QUALITY SCRUB CAR WASH  
DAPC FACILITY ID 0243081084

CERTIFIED MAIL

Joseph Moldoven  
Quality Scrub Car Wash  
86 Merz Blvd.  
Fairlawn, OH 44333

Dear Mr. Moldoven:

Our records indicate that Stage II compliance testing occurred at Quality Scrub Car Wash, 6842 Center St., Mentor, Ohio 44060 on March 3, 2008. This annual testing is required to demonstrate compliance with Ohio Administrative Code (OAC) Rule 3745-21-09(DDD).

This office has no record of this station being tested since and the station should have been tested by March of 2009. Failure to test on an annual basis is a violation of OAC Rule 3745-21-09(DDD). Please schedule any necessary repairs and conduct a retest **within 30 days of your receipt of this letter**. I have enclosed a list of testing companies for your convenience.

I have enclosed a Permit by Rule Notification form. Please complete the form and return it as per the instructions **within 30 days of your receipt of this letter**. This will replace any needed permit-to-install and operate (PTIO) and will mean you no longer have to pay the biannual emission fees. This is the second request for this form to be completed and submitted. Failure to submit this form may result in a request to complete PTIO application forms.

Failure to comply with this request may result in a referral to the Central Office of Ohio EPA for enforcement action. The submission of the requested information does not constitute a waiver of Ohio EPA's authority to seek civil penalties as provided in ORC 3704.06. Ohio EPA will decide whether to pursue or decline to pursue penalties regarding this matter at a later date.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer  
Environmental Supervisor  
Division of Air Pollution Control
