CLEVELAND FOOD & DELI, INC.
DAPC FACILITY ID 0247080583

CERTIFIED MAIL

Cleveland Food & Deli, Inc.

Lorain, OH 44052

Dear Mr. Salti:

Our records indicate that Stage II compliance testing occurred at Cleveland Food & Deli, Inc., 1150 Tower Blvd., Lorain, Ohio on April 14, 2008. This annual testing is required to demonstrate compliance with the requirements of Ohio Administrative Code (OAC) Rule 3745-21-09(DDD).

The testing was performed while the station was owned by True North Energy. True North Energy subsequently sold the station to Cleveland Food & Deli, Inc. This office has no record of this station being tested since and the station should have been tested by April of 2009. Failure to test on an annual basis is a violation of OAC Rule 3745-21-09(DDD). Please schedule any necessary repairs and conduct a retest **within 30 days of your receipt of this letter**. I have enclosed a list of testing companies for your convenience.

Failure to comply with this request may result in a referral to the Central Office of Ohio EPA for enforcement action. The submission of the requested information does not constitute a waiver of Ohio EPA's authority to seek civil penalties as provided in ORC 3704.06. Ohio EPA will decide whether to pursue or decline to pursue penalties regarding this matter at a later date.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer
Environmental Supervisor
