Rescind Notice of Violation (NOV)

June 5, 2012

Mr. Trevor Beers, Supervisor  
General Recycling of Ohio LLC  
912 Cheney Avenue  
Marion, Ohio 43301

Dear Mr. Beers:

This letter shall serve as follow-up to the NOV letter dated May 17, 2012, regarding the referenced facility. The revisions to that letter are summarized as follows:

1. A Permit to Operate (PTO) was issued to the facility on March 27, 2008, for the unpaved roadways. This resolves the oversight [violation indicated] in #3 of the NOV letter. Although the PTO correctly identifies the facility roadways as being exempt from Ohio Administrative Code (OAC) rule 3745-17-08 since Marion County is in a non-Appendix A area, it does not exempt the facility from maintaining the roadways in a manner as to not cause or contribute to a violation of OAC rule 3745-15-07.
2. It is necessary that "de minimis" emission calculations be provided in accordance with OAC rule 3745-15-05(D) for the welding and cutting operations that occur at the site.

Please submit a written response to this letter by June 22, 2012. If you have any questions and/or comments concerning this letter, please contact me at the above address, call (419) 373-3118 or e-mail [mohammad.smidi@epa.state.oh.us](mailto:mohammad.smidi@epa.state.oh.us).

Sincerely,

Mohammad Smidi
