**RE: Immediate Action Requested for November 2, 2006, Notice of Violation;
DAPC Facility ID # 02-38-00-0141**

Dear Mr. Keim:

Keim Lumber needs to take immediate action in order to comply with Ohio's air pollution control regulations for the wood working shop and the wood coating operation.

Specifically, I have not yet received the information requested in my November 2, 2006, letter to Noah Yoder of Keim Lumber. A copy of this letter is attached. Mr. Yoder had committed to provide this information during our December 8, 20 and 21 telephone conversations.

Please contact me immediately to resolve these outstanding issues. If complete response to the November 2 letter is not received by March 2, I will have no choice but to refer this matter to the Division of Air Pollution Control Enforcement Committee for further consideration.

Be advised that violations of state air pollution regulations are punishable by civil penalty of \$25,000 per violation. Issuance of this notice does not excuse past violation of federal, state and local laws regarding air pollution. This office reserves the right to pursue violations of air pollution regulations in the form of a referral to Ohio EPA's Central Office.
