Our records indicate that Lakeland Citgo, located at 30460 Lakeland Blvd., in Wickliffe, Ohio last conducted the required Stage II compliance testing on December 16, 2009.

The Findings & Orders issued for this facility on August 20, 2009, required that Stage II testing be done in March and August of 2010 and 2011. This office did not receive any invitation to witness testing at this facility in March or August and has not received any results of this testing.

This letter does not constitute a waiver of Ohio EPA's authority to seek civil penalties as provided in ORC 3704.06. Ohio EPA will decide whether to pursue or decline to pursue penalties regarding this matter at a later date.
