RE: **Notice of Violation for Title V Fee Emission Reports from 2002 to 2004; DAPC facility ID 02-85-01-0312**

Dear Mr. Himmelman:

This letter is to request that the outstanding Title V Fee Emission Reports for years 2002, 2003 and 2004, be submitted as quickly as possible, **but no later than June 30, 2007**. If the reports are not submitted by June 30, 2007, this matter will be referred to the Central Office Enforcement Committee for further action which may include additional fines and penalties.

Ohio EPA as previously requested these Fee Emission Reports in letters dated July 31, 2006 and December 12, 2006. Riceland has neither submitted the reports or responded to the letters.

Failing to submit Title V Fee Emissions Reports is a violation of Ohio Administrative Code rule 3745-78-02(A) and Revised Code 3705.05(G). Be advised that violations of state air pollution regulations are punishable by a civil penalty of \$25,000 per violation. Issuance of this notice does not excuse past violation of federal, state and local laws regarding air pollution. This office reserves the right to pursue violations of air pollution regulations in the form of a referral to Ohio EPA's Central Office.

Riceland Cabinet should take immediate action to minimize the duration of non-compliance. **Please submit the requested reports to the Ohio EPA, Central Office, using the STARship program no later than June 30, 2007.**
