CERTIFIED MAIL

Ms. Karen Foltz
Sunset Ramblers Motorcycle Club
550 Linda Mel
Marion, Ohio 43302

Dear Ms. Foltz:

This letter shall serve as a follow-up to Ohio EPA's review of the Sunset Ramblers Motorcycle Club facility records, and notifications from our Central Office that a Permit Evaluation Report (PER) for 2011, which was due on February 15, 2012, has not been received. On April 17, 2012 I spoke to you by phone about the need to submit the 2011 PER form as soon as possible. I also sent an e-mail to you with the PER form attached, and in a separate e-mail I sent you the facility's Permit to Install and Operate (PTIO) renewal permit (PTIO #P0086860, issued December 16, 2010). As a result of Ohio EPA's review of the facility's records, the following violation is noted:

1. Failure to submit a Permit Evaluation Report form for 2011 for the Sunset Ramblers Motorcycle Club in a timely manner is a violation of PTI #P0086860 and Ohio Revised Code (ORC) 3704.05.

In order to bring the company into compliance with applicable state and federal regulations, the company must submit a compliance plan, to include the 2011 PER form, and to explain how the company will prevent this violation from occurring in the future. The company's written response to this letter is requested by July 16, 2012, and it should be submitted to my attention at the Ohio EPA, Northwest District Office.

Please note that the submission of information to respond to this letter does not constitute a waiver of Ohio EPA's authority to seek civil penalties pursuant to ORC section 3704.06. The Ohio EPA will make the decision on whether to pursue or decline to pursue such penalties regarding this matter at a later date.
