Dear Mr. Grimaldi:

On 2/9/12, the Cleveland Division of Air Quality (CDAQ) inspected Farrow Dry Cleaners (Farrow) located at 3788 Lee Rd. in Cleveland. On 2/27/12, CDAQ issued a Notice of Violation (NOV) advising you that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions. Due to your lack of response CDAQ is issuing a Second Notice of Violation.

Farrow has failed to conduct required testing as specified in PTIO #P0094591 Part C(2)(f)(2) and (3) and failed to conduct and maintain records of weekly inspections as specified in PTIO #P0094591 Part C(2)(d). This is a violation of the Ohio Revised Code (ORC) 3704.05(C) and PTIO #P0094591.

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Farrow submit results for the required testing and a detailed narrative of how weekly leak checks and recordkeeping will be conducted going forward to the following enforcement representative:

Dave DeChant
Cleveland Division of Air Quality
75 Erieview Plaza 2nd Floor

Additionally, Farrow has failed to obtain City Permits for calendar years 2007 and 2008. This is a violation of the City of Cleveland's Permit to Operate an Air Contaminant Source (Chapters 259.01 and 263.01 of the Codified Ordinances of the City of Cleveland).

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance.

CDAQ requests that Farrow obtain City Permits for calendar years 2007 and 2008 by submitting the City Permit Fees to the following address:

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

Free assistance with state and/or federal regulations, rules, laws or permit conditions can be provided at no charge through the Ohio EPA Office of Compliance Assistance and Pollution Prevention (OCAPP). OCAPP can be contacted at <http://www.epa.ohio.gov/ocapp> or (614) 644-3469 or (800) 329-7518. CDAQ makes no guarantee that the facility will meet the qualifying guidelines established by OCAPP.

OCAPP can also provide assistance to facilities that want to investigate methods of pollution prevention to reduce raw material usage and waste production. Again, there is no charge for their services.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for Farrow Dry Cleaners: 13-18-00-6545.
