**RETURN TO COMPLIANCE
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Green:

Cleveland Division of Air Quality (CDAQ) inspected Avtron Industrial Automation, Inc. (Avtron) on May 7, 2012. During the inspection, CDAQ discovered a paint booth that had been operating since 1996 without Avtron submitting a permit-to-install/operate (PTIO) application for it. On May 11, 2012, CDAQ issued a Notice of Violation (NOV) to Avtron. The NOV required Avtron to submit a PTIO application for the paint booth. CDAQ received the PTIO application on June 20, 2012.

The PTIO application was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. If you have any questions, please call David Wagner at 216/664-3004. All correspondence with CDAQ must include the Ohio EPA facility identification number for Avtron: 13-18-27-2178.

Sincerely,

Valencia White
Chief of Enforcement, CDAQ
