**RETURN TO COMPLIANCE
LETTER OF WARNING FOLLOW-UP LETTER**

Dear Ms. Ko:

On May 15, 2012, the Cleveland Division of Air Quality (CDAQ) inspected Town and Country Cleaners located at 150 Bell Street in Chagrin Falls. CDAQ then issued a Letter of Warning on May 17, 2012, requiring Town and Country Cleaners to submit an invoice demonstrating proof of purchase of a halogenated hydrocarbon detector or a perchloroethylene (PCE) gas analyzer and a copy of a completed weekly leak inspection log utilizing the leak detector. CDAQ received an invoice for a halogenated hydrocarbon detector dated June 7, 2012.

A Receipt of Corrective Action Plan (RCAP) letter was then issued on June 12, 2012, requesting that Town and Country Cleaners still complete a weekly leak inspection log utilizing the leak detector on emissions unit (EU) D003: Supermatic dry to dry cleaning machine and submit a copy of the weekly leak inspection log by June 25, 2012.

CDAQ received a copy of a Weekly Leak Inspection Log for EU D003: Supermatic dry to dry cleaning machine on July 10, 2012.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Town and Country Cleaners: 13-18-13-8190.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".
