NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Hendrix:

On December 16, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Cleveland Public Power – Collinwood Substation to submit reports in a timely manner. CDAQ is in receipt of the 3<sup>rd</sup> quarter 2008 deviation report and January through June 2008 semi-annual deviation report dated December 23, 2008.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Cleveland Public Power: 1318000132.

Sincerely,

A handwritten signature in cursive script that reads 'Valencia White'.
