NOTICE OF VIOLATION : Failure to complete and submit Annual Certificates of Compliance for calendar years 2009 and 2010 by the required due date at the frequency specified

Dear Mr. Henderson:

On May 19, 2011, the Cleveland Division of Air Quality (CDAQ) inspected Cleveland Public Power (CPP) - Collinwood Substation located at 13915 Aspinwall Avenue in Cleveland. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

Cleveland Public Power (CPP) - Collinwood Substation has failed to submit Annual Certificates of Compliance for calendar years 2009 and 2010. This is a violation of Ohio Administrative Code (OAC) 3745-77-07(C)(5)(a) which states that compliance certifications shall be submitted annually on a calendar year basis. The Title V Permit (P00106494) for CPP states that annual certifications shall be submitted on or before April 30, 2011 during the permit term.

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Cleveland Public Power (CPP) - Collinwood Substation electronically submit through Air Services Annual Certificates of Compliance for calendar years 2009 and 2010.

If there is insufficient time to correct the alleged violations within this timeframe, a written response which includes a timeline for correcting the alleged violations must be received within thirty (30) days of receipt of this letter.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Cleveland Public Power (CPP) - Collinwood Substation: 13-18-00-0132.

Sincerely,
