NOTICE OF VIOLATION: Failure to Modify Title V Permit Application.

Dear Mr. Roth:

On May 11, 2011, the Cleveland Division of Air Quality (CDAQ) reviewed Manufacturers Plating Company's (MPC) Title V Permit Application. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

MPC failed to submit a Title V permit application modification within twelve (12) months after commencing operation of Emission Unit (EU) P007: Decorative Chrome Plating Line with Boiler which is in violation of Permit-to-Install #13-04753: Permit-to-Operate (PTO) Application (12), Ohio Administrative Code (OAC) Rule 3745-77-08(C)(3)(d), and Ohio Revised Code (ORC) Section 3704.05(C) and 3704.05(J). MPC commenced operation of EU P007 on July 16, 2009, and have been in violation since July 16, 2010.

Unless you undertake some type of corrective action with respect to the above noted violation, you will remain in non-compliance. CDAQ requests that MPC amend their Title V application through air services to include EU P007, within thirty (30) days of receipt of this letter.

If there is insufficient time to correct the alleged violations within this timeframe, a written response must be received within thirty (30) days of your receipt of this letter that includes a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Manufacturers Plating Company: 13-18-00-0838.

Sincerely,

A handwritten signature in black ink that reads "Linda Kimmy".

Linda Kimmy
Field Enforcement Manager
