Dear Mr. Roth:

On May 26, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requesting that Manufacturers Plating Company, Inc. (MPC) amend their Title V application through air services to include Emission Unit (EU) P007: Decorative Chrome Plating Line with Boiler. CDAQ is in receipt of a letter requesting a thirty (30) day extension dated June 17, 2011, received June 20, 2011. CDAQ grants the thirty day extension. You are expected to submit the required documents by July 20, 2011. Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663.
