NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Roth:

On May 26, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Manufacturers Plating Company, Inc. amend their Title V application through air services to include Emission Unit (EU) P007: Decorative Chrome Plating Line with Boiler. Manufacturers Plating Company, Inc. amended their Title V application on July 19, 2011.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Manufacturers Plating Company, Inc.: 13-18-00-0838.

Sincerely,

A handwritten signature in black ink that reads "Linda Kimmy".
